Report of the Committees on Parks, Recreation and Cultural Affairs in Favor of Approving and Adopting as Amended a Local Law to Amend the Administrative Code of the City of New York, in Relation to a Street Name, Joseph Lisa Memorial Place, Borough of Queens.

The Committee on Parks, Recreation and Cultural Affairs to which was referred on June 18, 1981 (Minutes, page 892) the annexed amended local law, respectfully

REPORTS:

Joseph Lisa, Sr. was born in Corona, New York on October 16, 1898. He received his early education in the New York City Public School System. He was the son of Italian parents who immigrated to America to seek a better life.

As a teenager, he recognized the need to politically organize the newly arrived Italian immigrants who were at that time flocking to the Corona Community; and, being an enterprising youth, he "borrowed" a voting machine and went to work bringing the newcomers into America's political mainstream. He served in the United States Army during World War I; and after "the War to end all Wars", he returned to his lifelong career in politics.

Mr. Lisa was a lifelong member of the Northside Democratic Association, one of the oldest democratic clubs still in existence in New York City. He took great pride in havin started his political career with his first vote at age 21 in 1919; and, from that time until his death in 1977, he never missed a single election. He rose from District Captain to Democratic District Leader from Corona; and, he served as District Leader for 26 years never once being defeated during his twelve term career spanning from 1950 until 1976 when he retired from politics undefeated.

Upon his death, a grateful community built a Center in his name where all types of civic community activities take place.

Mr. Lisa is survived by his wife, Marion, and three sons: Charles, Joseph and James.

Accordingly your committee recommends its adoption as amended.

Dear Martha:

Please be advised that I was in error in describing the limits to Local Law Intro. No. 1058 (Local Law 68). The limits should read as follows: "southerly tip of William F. Moore Memorial Park where Corona Avenue meets 108th Street."

Aline brought this to my attention and I believe this letter is just to confirm our conversation.
